Dear Sir,

Sub: Disclosure under Regulation 30 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 – Bagging of Order

Pursuant to provisions of Regulation 30 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (“Listing Regulations”), we wish to inform that the Company’s subsidiary, Mistral Solutions Private Limited has secured a couple of small pilot contracts. Although modest in scale, these contracts are significant, they represent engagements with two of the world’s largest hyperscalers and offer annuity revenue as well as exponential growth potential.

To support these initiatives, we have committed to developing world-class infrastructure in Bangalore, including an Acoustic Lab and a 3D printed PCB prototype facility. Additionally, we are establishing a front-end engineering team in the United States.

This contract pertains to the development of production line testing equipment intended for global contract manufacturers supporting one of two hyperscaler clients. Additionally, it involves the creation of development test apparatus for audio products associated with the other hyperscaler. The initial estimated value of this pilot program is approximately \$1 million USD.

The relevant details pertaining to the above, as required under Regulation 30 of the Listing Regulations read along with SEBI Circular No. SEBI/HO/CFD/PoD2/CIR/P/0155 dated November 11, 2024, is enclosed as “Annexure-I.”

Kindly take the above information on record.

Yours truly,

For **AXISCADES Technologies Limited**

Sonal Dudani

Company Secretary & Compliance Officer
